Enclosure No. 11 SEP 1922

Sir,

I have the honour to state that Harihar-Harapanahalli Road passing within the Mysore limits is maintained from ---- District Funds with an annual repair gran of Rs 350/-. It has been urged that owing to the rise in wages and costs of meteria which varies upto an average of 100% over the previous rates, the allotment has to be doubled to maintain the road in good order. Besides there is a good number of streams intercepting the road, and it is quite desirable that they should be spann with bridges or culverts since the road i a main line of communication of great use to road traffic. Manganese mines have bee very recently started within the limits of the Doggavati village in the Harapanahall Taluk, Bellary District. A large number of carts laden with manganese ore, coming -- from the mines pass along this road on -- their way to Harihar Railway Station from which the ore is transported to the weste

Harbour
